RE: liquor license renewals for Billy D's DBA Pedro's Cantina (61724 & 61725)
liquor license application of Michael Cubas DBA Cubas Club II (61756)

We, as neighbors, of the business located at 7026 West Highway 30, Ames, NE now operating as Cubas Club II would like to voice our concern on the renewals and new application for liquor licenses as referenced above.

We feel there is a noise (loud bass thumping music) problem which needs to be addressed. We have no concerns with a business operating at this location as there has been a restaurant/bar located there for quite a number of years. Up until August 2004 we had no concerns; however, since then there has been what we consider to be too loud of music being played late into the night and early morning hours. We have taken the proper steps by phoning the Dodge County Sheriff's office and they have responded each time we call, but it has gotten to the point where we feel they have better things to do than to continually monitor this business. It would seem that just one call would be enough for the management to realize they are disturbing their neighbors, but this has definitely not been the case. This has gone on each and every weekend and we must continue to be awakened and be forced to call this in. There are solutions for this problem i.e. insulation and/or sound-proofing. A little respect is all we are asking.
